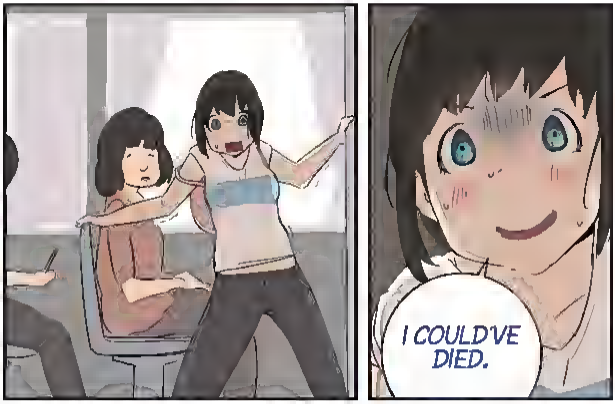
Grab

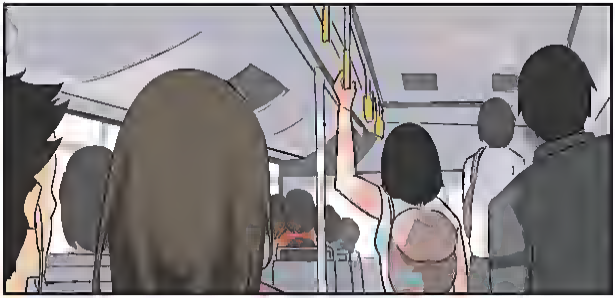
huff
huff

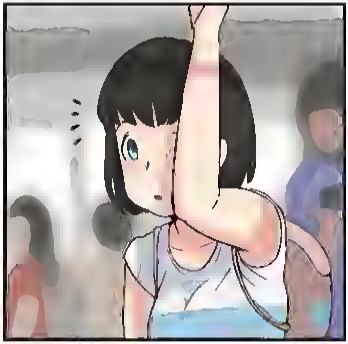
They won't stop unless I...

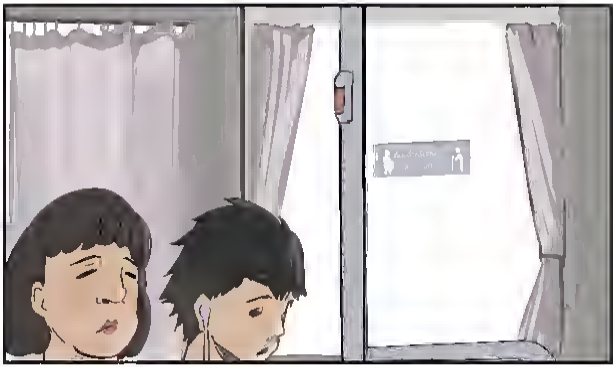
...wave my hand?!



TL/N: Somehow, stopping a bus in Thailand is dangerous. You need to prepare your standing position and firmly grab the handrail if you are about to stand. Mostly because the drivers there drive recklessly.







Priority seat
for the elderly or
pregnant women

If I said something, could I sit there?

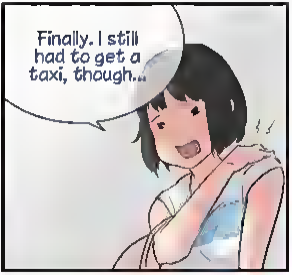
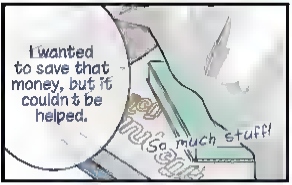
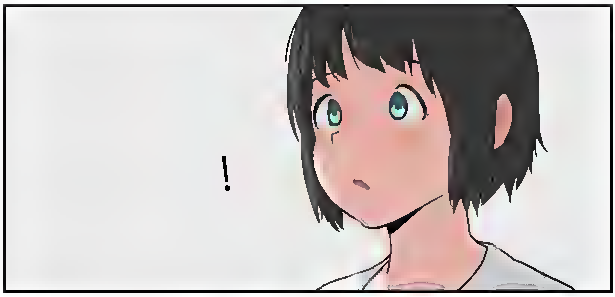
Yaah!

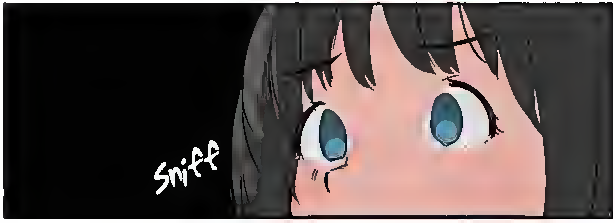




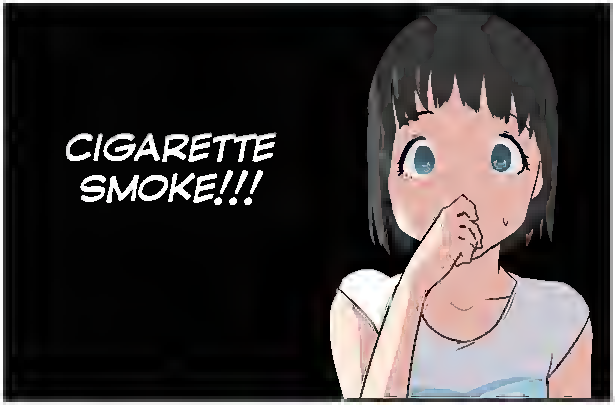
*Motherhood for Dummies



!



Sniff

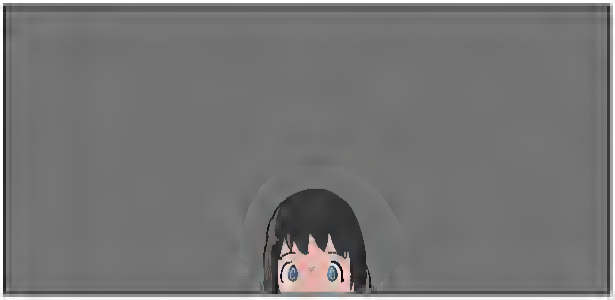


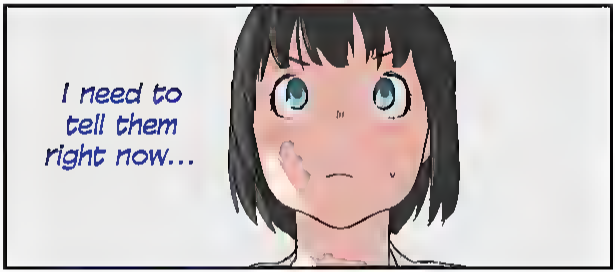
CIGARETTE SMOKE!!!

From the next door?

If it's this strong, it could be bad.

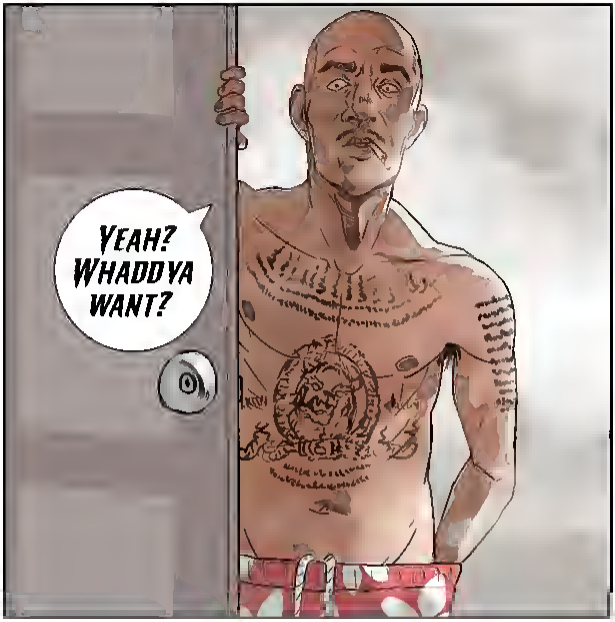
I've always hated cigarette smoke, and now with the baby...





I need to tell them right now...

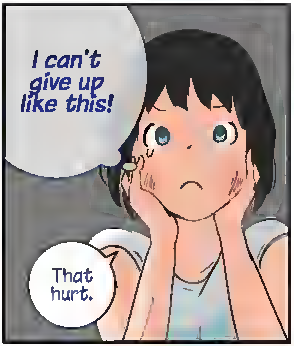
FOR MY CHILD!!!



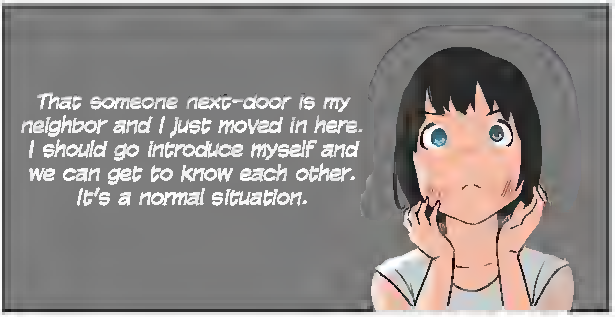
YEAH? WHADDYA WANT?

What if it's someone like that..?
Maybe I shouldn't.

slap!

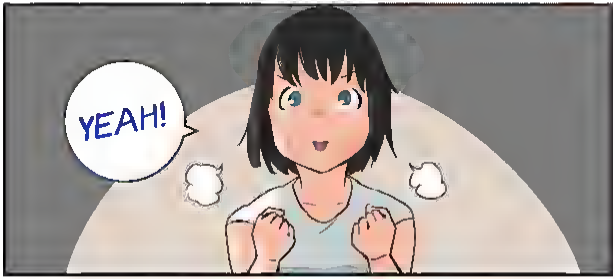


I can't give up like this!
That hurt.



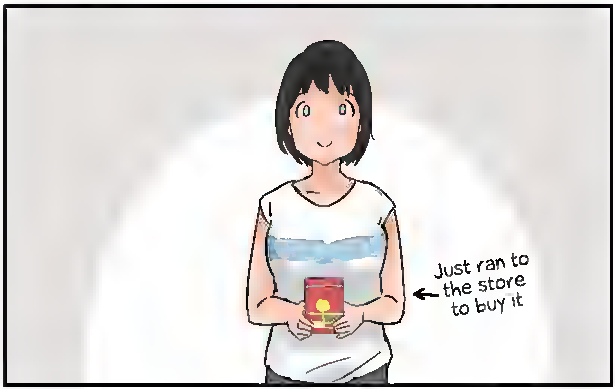
That someone next-door is my neighbor and I just moved in here. I should go introduce myself and we can get to know each other. It's a normal situation.

We'll start up a conversation and I'll try to get them to understand about the cigarettes. That's right! I should give them a gift to say hi and make a easy first meeting.

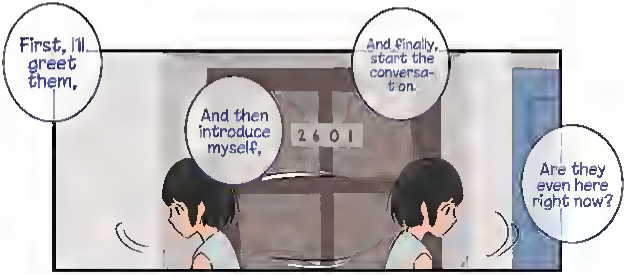


YEAH!

*Om Yim which mean "sweet candy"



2601



First, I'll greet them.
And then introduce myself.
And finally, start the conversation.

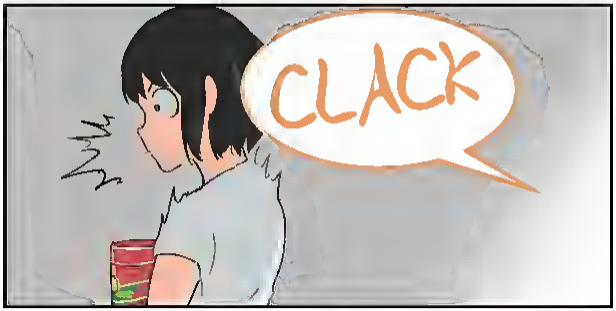
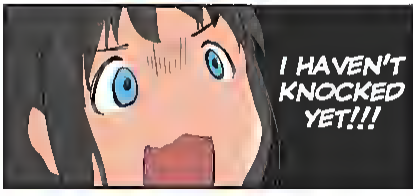
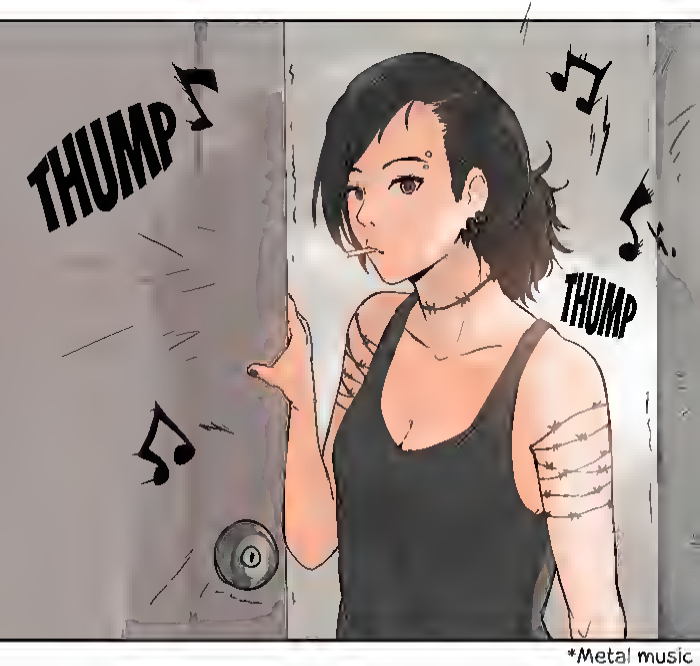
Are they even here right now?

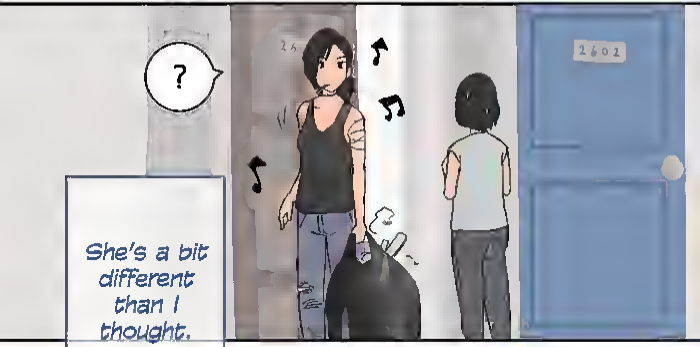


CLACK





*Metal music



To be continued

Are you a woman?
HELL YES!
